The XIth European Urban and Regional Planning Awards

The European Urban and Regional Planning Awards promotes the best projects or achievements proposed at European level.

The prizes will be awarded with Mr Raffaello CATTANEO, President of the Commission for Territorial Cohesion Policy and the EU budget and Ms Hella DUNGER-LÖPER, representing the Committee of the Regions in our Jury.

The celebration includes:

- A presentation of the winners in presence of elected COTER commission members
- The winning teams will present their projects in more detail in the afternoon.

Young Planners Workshop

Several teams of young planners conducted a parallel work on Urban planning public space and mobility in Belgium, Netherlands, Serbia, Spain, Ireland, United Kingdom, Italy, Germany-Egypt...

They present their crossed work and highlight the methodological contributions on the issues in different situations in different regions of Europe: land policies, urban form of eco cities, residents' involvement and participation.

Debate with the Winners of the European Urban and Regional Planning Awards

The Winners are invited to discuss with all participants on the challenges of their project in terms of aspects of the Charter of European Planning, and also the European Charter on Participatory Democracy related to spatial planning process.

The debates will be broadcasted live on the websites of the Committee of the Regions and of the ECTP-CEU.
